MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT : Attendance of USIB Principals at This Week's Board Meeting

1. We have just been advised that Mr. Sullivan (FBI) and General McChristian (Army) will not be able to attend this week's Board meeting. All other USIB Principals will be present, both for the photograph and for the executive session discussion, as well as for NIE 11-14.

2. In view of the difficulty of arranging for 100 per cent attendance of Principals at any given meeting I would recommend we proceed with the photograph and the agenda as planned. Whenever another occasion involving full attendance of Principals occurs, we could then arrange for another photograph if desired.

Executive Secretary, USIB
